

Dear Reader,

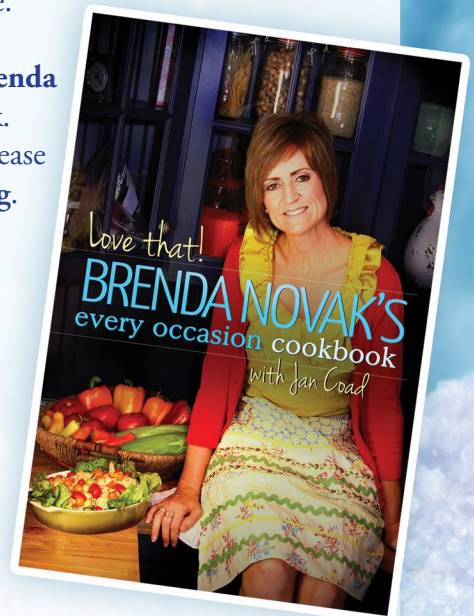

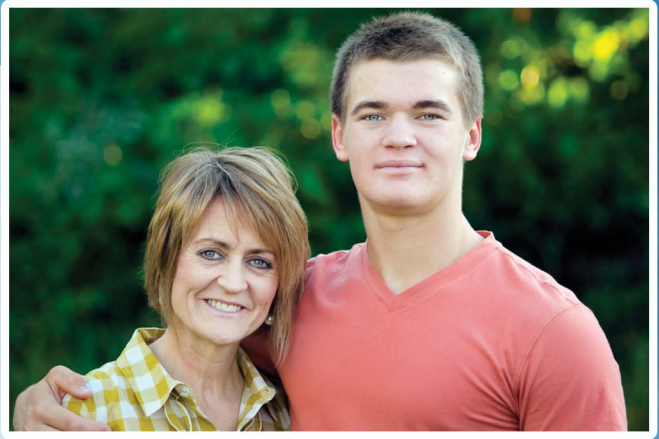

When my youngest son, Thad, was diagnosed with diabetes at five, and I learned of the terrible side effects he would likely face in his lifetime, I could not simply hope for the best. I had to do something to fight back. This is part of that effort. When you buy this digital boxed set filled with wonderful Christmas stories from some of the biggest names in romance, you are not only helping my son, you are helping everyone who suffers with this terrible disease. This year, all proceeds will be going to Dr. Ed Damiano at Boston University (who also has a son with Type 1) to help him finish engineering the artificial pancreas, which will go far toward helping insulin-dependent diabetics remain healthy until that elusive biological cure can be found. So, please, pre-order **ALL I WANT FOR CHRISTMAS** today (which will be released

November 1st and will only be available through December 31, 2016) and encourage your friends and family to do the same. You'll get many hours of enjoyable reading in exchange for a small donation that will help a lot of people.

Also for sale is **LOVE THAT! Brenda Novak's Every Occasion Cookbook**. For more details on both projects, please visit www.brendnovakforthecure.org.

Happy reading!

Love, Brenda
